

PORTFOLIO

Selected work across music videos, branded content, podcasts and video production.

[VISIT WEBSITE](#)

Professional video production for brands, artists and creators

10,000+ DVCPro tapes digitized

Large-scale TV archive digitalization and preservation, including media handling, quality control and digital delivery.

1,000+ broadcast files finalized

Final edits and corrections for scheduled, same-week television programming under broadcast deadlines.

International & Domestic Content

Post-production support across **TV shows, feature films and television series**, including both Bulgarian and international productions.

Broadcast Adaptation & Compliance Editing

Video and audio editing, including effects; scaling, resizing and duration adjustments; and content adaptation for network requirements. This includes the removal or censorship of **violence, nudity/adult scenes and other restricted material** in American and international film and television productions for broadcast.

WE MAKE STORIES MOVE.

A production partner for companies, artists and creators who need polished video content.

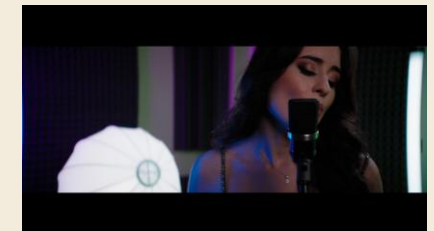

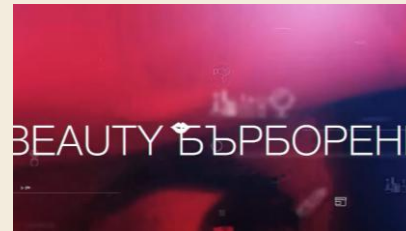

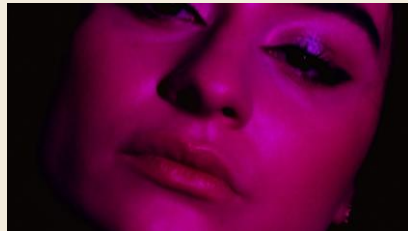

WHAT WE DO

- Commercials and brand-promotional videos
- Music videos and artist visuals
- Podcast production
- Training videos

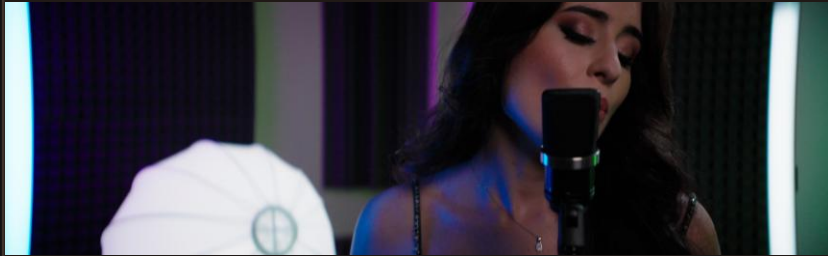

WHY IT FEELS STRONG

The work ranges from cinematic outdoor imagery to clean studio setups, branded edits, title cards and social-ready formats — showing both shooting range and editing versatility.

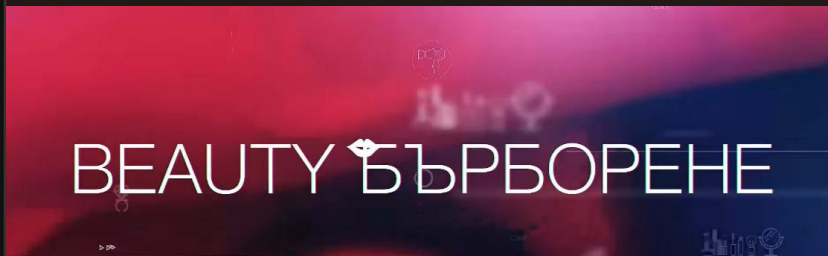

SELECTED WORK

A mix of commercial content, artist visuals and studio-based formats.

MUSIC VIDEO VISUALS

Performance-led, stylized imagery

BEAUTY БЪРБОРЕНЕ

Social campaign / title treatment

IZZY'S CAFE

Branded content / location-based promo

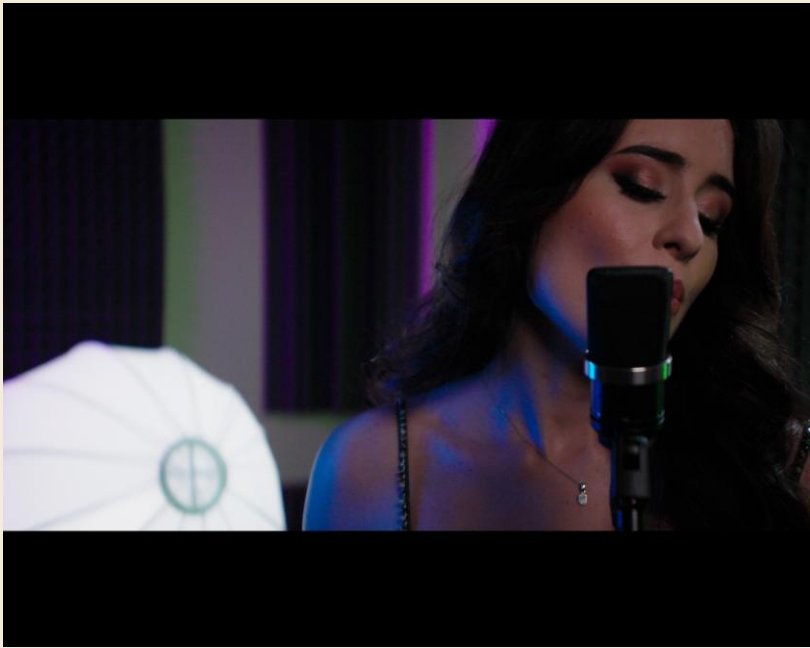

MUSTANG

Lifestyle / horse riding visuals

SEE MORE WORK

MUSIC VIDEOS

Color-led mood, artist-focused styling and performance-ready edits.

VISUAL RANGE

From scenic setups and stylized wardrobe to intimate studio performance shots, the footage communicates production value, pacing and refined color grading.

MUSIC VIDEO WORK

Close-up styling / beauty lighting

Moody grading / portrait work

BRANDED & COMMERCIAL CONTENT

Work that can sell a space, a service or a lifestyle — not just look cinematic.

IZZY'S CAFE

Location-driven promo with clear identity and atmosphere.

INTERIOR / PRODUCT FEEL

Lifestyle framing that supports the venue and the customer experience.

MUSTANG HORSE BASE

Natural-light lifestyle visuals with a premium, aspirational feel.

Why it works for companies:

These frames show the ability to edit for mood, place and brand identity — useful for restaurants, lifestyle brands, hospitality, local businesses and digital campaigns.

PODCASTS & SOCIAL EDITS

TITLE DESIGN

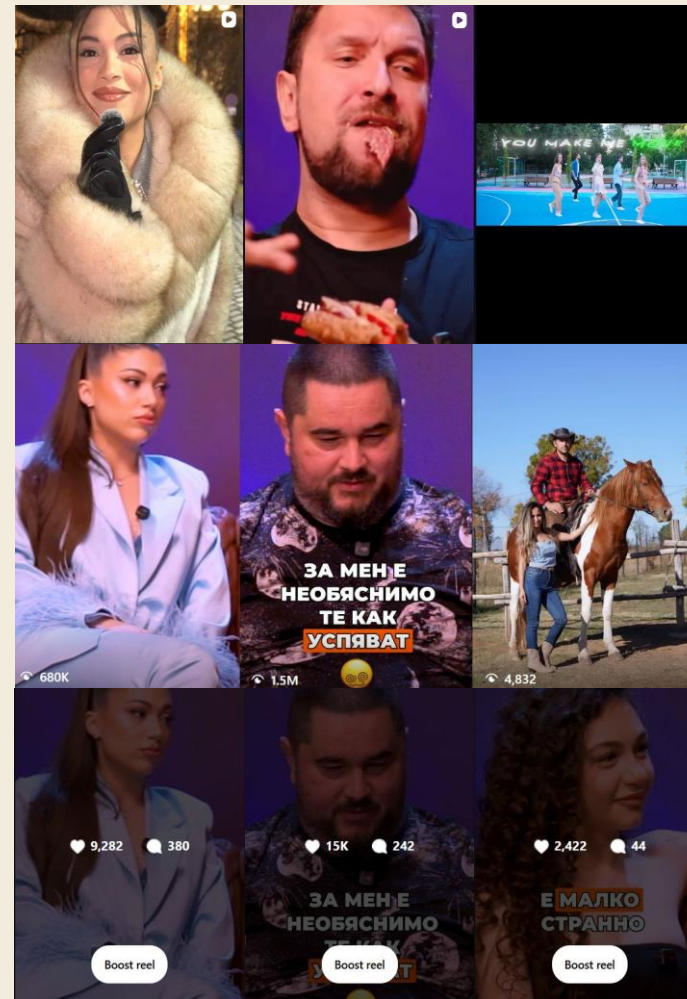

HOST / GUEST DYNAMICS

COLOR MOOD / SHORT-FORM CUTAWAY POTENTIAL

Formats like these signal more than filming ability — they show editing rhythm, graphic awareness, visual consistency and content repurposing potential for YouTube, Reels, TikTok and promo cuts.

Campaign end-card / social distribution feel

SHORT-FORM CONTENT THAT HOLDS ATTENTION

Editing for Reels, TikTok and vertical social content — built around strong hooks, pacing, subtitles and platform-native storytelling.

LET'S MAKE SOMETHING WORTH WATCHING.
